<p>15. Multidisciplinary / interdisciplinary</p>					
<p>Rayat Shikshan Sanstha's Shripatrao Kadam Mahavidyalaya, Shirwal aims to provide skill and quality-based education to the groom self sufficient, self-reliant, and self-esteemed students. It accepts changing scenario of education positively. So, this institute inculcates rationality, gender equity, morality, social justice, and dignity of labour through education among the students. It contributes to the improvement of society and the nation. One more issue affected that is women's empowerment. It is an area of thrust and great concern for society. So the overall development of the students will certainly pave the way for a better society. Thus, this institute plans to face the upcoming 4th cycle of NAAC by fulfilling the compliances made by NAAC. It is the institute's vision to achieve the requirement for multidisciplinary HEIs. The institute is one of the constituent colleges of the Rayat Shikshan Sanstha, Satara, Maharashtra, and is willing to be a unit of the</p>					

cluster college. The institute plans to merge with Multidisciplinary HEIs: 1. The institute maintains effective governance and leadership for Higher Education. 2. The institute plans to develop independent, self-governed higher education with capable and ethical leadership through skill, knowledge, and quality education to the students. 3. The institute runs 08 academic departments under Arts and Commerce faculties. Every department will try to strengthen the teaching learning process. 4. Employability has been great concerns nowadays envision running various skills and quality-based short-term courses to make students self-employable. In the forthcoming academic years, the college plans to start short-term courses and regional need based courses like Fashion Designing, Basic Computer Literacy, Graphics, Tally, etc. 5. The highly qualified and skill-oriented teaching staff fulfilled the educational development of students. 6. It is planned to motivate the faculties by giving incentives for research articles in subject-related magazines and peer-reviewed journals especially those recognized by UGC. 7. There is a provision to provide Seed money to the teachers and students for the research. They also ask to apply to BCUD of the university and the research committee of the college for minor and major research projects every year. 8. The institute conducts various campus recruitment drives and special training sessions for the students. Apart from this, the institute also does the MoUs, orientation programmes, and collaborations with external agencies. 9. The institute establishes various centers on the campus for example a center for Guidance in Competitive Examination, a center of IBPS, and so on. 10. The institute increases the infrastructural facilities, learning resources; expert lectures through video conferencing and virtual classrooms, and so on. 11. The institute is already conducted the skill courses as designed by Shivaji University, Kolhapur and runs courses. The course of Environmental Sudies is the mandatory course. These courses are implemented through the faculties of humanity, social sciences, commerce, environmental studies, and computer application. The concerned committee focuses to develop the skills of the students. Increasing MoUs and collaboration with professional institutes.

18.Appropriate integration of Indian Knowledge system (teaching in Indian Language, culture, using online course)

The institute has integrated Indian knowledge by teaching Indian languages, and culture through online and offline modes. Indian languages: This institute integrates regional, national, and international languages that are Marathi, Hindi, and English respectively. In the present educational system, the English language is mostly used which is one of the most dominant languages in the world. It is dominated by Non-English learners/students. Due to this Non-English learners/students throw out of the educational stream. Thus, to avoid it, the institute has integrated local into global languages. Indian Culture : The institute has a cultural heritage that Mahatma Phule and his wife, Savitribai Phule worked a lot for the education and welfare of women. Savitribai Phule is known as the first lady teacher in India. She was born in Naigaon which is only 3 km away from Shirwal. There is a monument of Savitribai Phule in Naigaon. 'Shilpasrushti' is erected in front of the monument. 'Shilpasrushti' is based on historical events from the life of Savitribai Phule as the marriage ceremony of Mahatma Phule and Savitribai Phule, Balashram, first Girls'school, etc. Every year we organize a field visit to Naigaon. We take various activities

such as Guest lectures, Kavyasammelan, Ekpatri, and street play to give the students all information about the life and works of Savitribai Phule. We also organize Essay and Elocution Competitions on the works of Savitribai Phule. Our students of NSS clean Naigaon, the Monument of Savitribai Phule, and 'Shilpasrushti' every year during their NSS camp.

19.Focus on Outcome based education (OBE):Focus on Outcome based education (OBE):

The institute conducts outcome-based educational programmes and courses through the steps applied following: The institute runs the following programmes that are as, B.A., B.Com, B.C.A., M.Com., and M.A. These programmes have the courses such as Marathi, Hindi, English, Economics, History, Political Science, Geography and so on. Minimum student maximum concentration to be given on the performance of the students by the teacher. Psychologically, it is a basic view of the students-teacher ratio. Students should concentrate on his/her performance but he/she needs guidelines that a teacher could give if the number of students is in control. Hence, the institute brings the targeted student-teacher ratio as said in the future for better outcomes. Apart from that, the institute plans to launch new programmes in the upcoming years as.

- The HSC students who passed science needed to obtain further education in this region.

The college and university have a well-defined process for addressing the grievances with reference to evaluation. The college has an effective mechanism to resolve the grievances of students related to internal and university evaluation. The Students Grievance Redressal Cell is composed as per Statutes, prepared in accordance with the provisions of the University Grants Commission (Grievance Redressal) Regulations and The Maharashtra Public Universities Act, 2016. Similarly, Examination Grievances Redressal Cell is functional in the institute. The university publishes Examination Procedure Booklet for the guidance. The following mechanism of transparency in examinations helps to minimize the grievances greatly. The result process is completed within 45 days after examination. The photocopy of assessed answer sheet is provided to the students on demand. The students fill the revaluation and rechecking forms in the prescribed format with necessary documents. Grievances regarding evaluation: The student gets the photocopy of the assessed answer sheet on demand. If student desires revaluation of the answer sheet then he/she can fill the online revaluation form on the university website. The university looks into the grievances and takes the corrective measures, if any. The above mechanism helps to resolve the grievances in stipulated time.

5.3.2 - Institution facilitates students' representation and engagement in various administrative, co-curricular and extracurricular activities (student council/ students representation on various bodies as per established processes and norms)

The institute forms Student Council every year as per the directives of Maharashtra Public Universities Act, 2016 and Shivaji University, Kolhapur. It gives the premier importance to the representation of the students on academic, administrative bodies and the various college committees. Suggestions and feedbacks given by students play a vital role in improving quality of academic, administrative and support services. It also helps to maintain discipline on the campus. Students Council proactively cooperates the teachers in organizing the Annual Social Event and the activities related to it. Objectives of Student Council: To develop leadership qualities To look after the welfare of the students To promote and coordinate the extracurricular, extension and outreach activities to establish a bond between college and corporate life. Thus, their proactive participation in various committees ensures the contribution of students towards institute. Formation of Student Council: The institute has a Student Council constituted under the provisions of Section 40 (2) (b) of The Maharashtra Universities Act, 1994 and after 2016, the College Student Council is constituted as per Section 99 (3) of The Maharashtra Public Universities Act, 2016. Students' representation on Student Council and various institutional bodies/committees broadens student's vision and also creates sense of belongingness in them towards the institution. These real life experiences help them to perform better in their life ahead.

6.2 - Strategy Development and Deployment

6.2.1 - The institutional Strategic/ perspective plan is effectively deployed

The institution has prepared a Perspective/Strategic plan setting the benchmarks for the future achievements in all developmental areas. Here is an example of the activity successfully implemented as per strategic plan- Title of the activity - Construction of the Second Floor for the Creation of the New Classrooms Taking into consideration the natural growth in the students' strength, the existing infrastructure was inadequate. Therefore, the Management of the college has made the strategic plan to create new classrooms on the second floor of the building with its own funds and donations from NGOs. The work of construction was carried out as per the following procedure- I.Q.A.C. along with Building Committee made the strategic plan for the expansion of the college building with 5 classrooms and independent toilet blocks for boys and girls The building plan was sanctioned and certified by the Architect appointed by the parent institute The college authorities approached the renowned local industry Paranjape Auto Cast Pvt. Ltd., Shirwal for the funds Finally, all the accounts including expenditure on the construction were certified by the third party Chartered Accountant viz. M/s. Kirtane and Pandit.

6.3.5 - Institutions Performance Appraisal System for teaching and non- teaching staff

The institution takes initiatives to enhance the professional development of its teaching and administrative staff. As per UGC regulation of June 2016, the college follows the Annual Self Appraisal Report (ASAR) or evaluation of the faculty. At the end of academic year, all faculty members submit their API forms along with related documents to IQAC. The IQAC assesses the forms as per UGC guidelines and verifies the API scores which are further authenticated by the Principal. The College IQAC has set a welldefined mechanism for collection, assessment and compilation of the API files. It also guides and redresses the queries regarding API and ASAR. For the Career Advancement of the respective faculty, the ASAR forms assessed by IQAC and endorsed by the Principal are presented to the University Experts. The Teachers Diary is maintained by all teachers which include information about academic, co-curricular, extracurricular activities of the respective faculty. This diary is assessed regularly by HoD and at the end of each term by the Principal. The parent institute gives the Best Employee Award to the faculty based on their performance. Every year, Higher Education Department of the parent institution collects and analyses the results of the courses taught by a teacher on seven point scale. These results are presented before the C.D.C. Meeting for the review and measures. Teachers' special achievements are well recognized and appreciated by the college and they are felicitated at Annual Prize Distribution Ceremony.

6.4 - Financial Management and Resource Mobilization

6.4.1 - Institution conducts internal and external financial audits regularly Enumerate the various internal and external financial audits carried out during the year with the mechanism for settling audit objections within a maximum of 200 words

The budgetary provisions are approved in the CDC meeting. The Principal and Vice- Principal prepare budget allocation at the beginning of the academic year by considering the requirements of all departments and the activities to be carried out. The Purchase Committee supervises the process of purchase which includes inviting quotations from authorized dealers / vendors, comparative statement, purchase order, etc. The Parent Institute regulates financial matters by conducting internal audit twice a year and the 'central audit' once in a year. The renowned C.A. firm does the final audit. The financial audit practice is followed as below

Audit by Accountant General
Sanction of Budget from CDC
Purchase as per purchase policies
Internal Audit by the Parent Institute
Audit by Accounts Officer
Final Audit by the C.A. Firm
Budget Allocation
Central Audit by the parent Institute.

Internal Audit: We have regular auditing mechanism through our Parent Institution. This is one of the best practices of our institution for transparency and quality check. The Parent Institution's Audit Department conducts periodic audit of the college. (Twice every year) At the end of the financial year the institutional audit is done centrally in the Parent Institute at Satara. Compliance of queries is made immediately.

External Audit: The renowned C.A. firm M/s. Kirtane and Pandit does the annual audit. The external audit is conducted by the State Government after every five years. The last A.G. Audit was conducted in 2004-05 and the raised queries in audit paras were met out.

6.4.3 - Institutional strategies for mobilization of funds and the optimal utilization of resources

The major financial source of institutional funding is - a) State Govt. Grants i) Salary Grant. ii) Non-Salary Grant. b) Students fees. c) Fees from self-financed Courses (B.C.A.) d) Funds generated through Add-on-courses. e) Development plan grants and grants under various schemes of UGC received by the college. f) Grants received from Shivaji University, Kolhapur such as grants under Lead College Scheme, National Service Scheme, Organization of Sports Workshops etc. Despite this, the deficit occurred is managed through funds generated by college through self-financed Add-on courses and donations from society. Strategies for Mobilization of Funds: The funds required for the college are raised through the fees from students and donations from the society. The fees from students are collected as per the rules of university. The funds required for development activity are raised through the donations from the wellwishers and philanthropers from society. The funds are mobilized through self- financed Programmes such as B.C.A. and Add- on Courses. Strategies for Optimal Utilization of Resources: The funds available through the fees from students are utilized according to

the university guidelines and the budget is prepared to exercise the control over expenditure. The procedure is laid down for the sanction of each and every expenditure. Proper accounting and audit procedure is practiced to ensure optimal use of funds. The construction work is done under the strict supervision of Building Committee to ensure the quality of construction and savings in expenditure.

6.5 - Internal Quality Assurance System

6.5.1 - Internal Quality Assurance Cell (IQAC) has contributed significantly for institutionalizing the quality assurance strategies and processes

The Internal Quality Assurance Cell established in September 2004 has been playing a key role in institutionalizing quality assurance strategies in order to- Foster total quality management and communicate the updates regarding this to all stakeholders Coordinate as a nodal agency to prepare quality policy and perspective planning of the college Define the quality benchmarks and parameters for ensuring its effective implementation The above mentioned institutionalized policies have contributed to quality assurance in the following way- Add-on-courses provide additional skills Promotion of research and motivation to adopt modern methods of teaching and learning Monitoring TLE, co-curricular, extracurricular activities and its documentation Infrastructure augmentation by providing more space and updating technology The following are the two practices institutionalized by I.Q.A.C. for quality assurance- 1. Implementation of Reforms in Evaluation: The college has developed its own Continuous Internal Evaluation Mechanism. The institution adopts diverse modes of evaluation for the internal assessment component of the university examination in the 40 + 10 pattern. The Examination Committee monitors and regulates the examination process 1. Introduction of skill-based Add on courses to support the conventional degree Programmes: The I.Q.A.C. initiated 21short termcourses successfully during the yearin collaboration with Karmaveer Vidya Prabodhini of Rayat Shikshan Sanstha. The curriculum of these courses is exclusively designed and updated regularly by our faculty. The most significant contribution is that NAAC has assessed our institute and accredited

with CGPA of 2.98 on four point scale at B++ grade in 7th September 2021.

6.5.2 - The institution reviews its teaching learning process, structures & methodologies of operations and learning outcomes at periodic intervals through IQAC set up as per norms and recorded the incremental improvement in various activities

The structure and methodologies of operations are indicated by the following flow chart- Policies set by Principal and IQAC Academic Diary reviewed by HoDs Academic Diary of day-to-day schedule maintained by faculty Preparation of Academic Plan by HoDs and faculty Review Meetings with Staff Students Feedback Corrective Measures API Assessment / Result Analysis The details of the review of the learning process and outcomes: I.Q.A.C. takes the review of the learning process through its periodical meetings with Heads of the Departments and faculty. The faculty are oriented over the use of various teaching learning methods such as ICT based teaching learning, participative/experiential learning and interactive learning. The implementation of these helped to develop the independent and critical thinking among the students. The two examples in this regard are as given below- 1. Organization of Career Oriented Course in Logistic Management: I.Q.A.C. formed a policy for the skill enhancement of the students. The Department of Commerce sent the proposal of Career Oriented Course in Logistic Management to University Grants Commission. Lecture method being conventional needs the support of ICT based teaching learning for the effective delivery of curriculum. I.Q.A.C. oriented the faculty over the use of ICT based teaching learning and its advantages. LCD projectors and internet connectivity were provided to the faculty. The faculty motivate the students for the independent learning through the use of ICT.

7.2 - Best Practices

7.2.1 - Describe two best practices successfully implemented by the Institution as per NAAC format provided in the Manual.

Best Practice No. I 1. Title: Self-financed Add-on-Courses. 2. Objectives: 1. To develop additional skills / values to foster the competencies 2. To inculcate the life skills / soft skills for personality development 3. The Context: The curriculum of the Graduation Programmes is not adequate to get an employment. 4. The Practice: All 12 Add-on-courses are recognized by the "Karmaveer Vidya Prabodhini", the academic wing of the Parent Institution 5. Evidence of Success: The positive feedback from majority of the students is encouraging Overall personality development of the students 6. Problems Encountered and Resources Required: Infrastructural Restraints The resources required are - a) Core subject expertise b) Library/Laboratory resources

Best Practice No. II Title of the Practice: L. M. Subhedar State Level Elocution Competition Objectives: To equip young students with the skills of thinking clearly, speaking persuasively and listening to the opinions of others critically and constructively Context: This competition is organized in memory of L.M. Subhedar who was an ideal teacher and administrator. Practice: The college along with Alumni Association hosts the prestigious L. M. Subhedar State Level Elocution Competition every year since 1995-96. Evidence of Success: The photos and videos are uploaded as additional information. 6. Problems Encountered and Resources Required 1. Less delegation from other colleges.

7.3 - Institutional Distinctiveness

7.3.1 - Portray the performance of the Institution in one area distinctive to its priority and thrust within 200 words

The institute's distinctive area is its collection and distribution of CSR (Corporate Social Responsibility) funds. These CSR funds have been collected by the college authority from the various industrial companies, social trusts and so on. This fund is utilized by the concerned authority of the institute after evaluating and examining the documentary evidences of the students. The needy and eligible students have been short listed on the basis of the available amount. The method of evaluating and examining is prominently based on the students' economical status, their earning of economical sources, and the academic performance of the students. Then the final decision has been taken in the meeting of the administrative staff later on it is intimated to the concerned students. During the year 2022-2023 total Rupees 326537/- have been collected from various institutions as : 1. Paranjpe Auto Cast. Ltd Shirwal 2. ACG Company, Shirwal 3. TOYCO Pvt Ltd., Shirwal 4. Seva Sahayog Foundation, Pune Hence, the institute aims that the students should have to come in the main flow of the education and develop their overall personality and contribute in the development of our nation.

Part B

CURRICULAR ASPECTS

1.1 - Curricular Planning and Implementation

1.1.1 - The Institution ensures effective curriculum delivery through a well planned and documented process

The curriculum is delivered systematically as- each department downloads syllabus from the university website at the beginning of the academic year. An effective mechanism for the execution of teaching plan is functional. Subject teacher prepares semester/term wise teaching plan in the academic diary provided by the institute at the beginning of the term. Lecture notes are prepared before the commencement of the lecture. HoD, Faculty in charge, Vice- Principal and Principal monitor it rigorously. Remedial classes have been conducted for the slow learners. Teachers also conduct extra lectures, if necessary. For advanced learners, the institute arranges co-curricular and extracurricular activities like Avishkar, Guidance for Competitive Examination, Seminars, Quiz and Poster Presentation Competition. Central Library subscribes books, journals, e-journals, magazines and periodicals as per demand. Internet, Wi-Fi facility, e- learning room, LCD Projectors, well- equipped and spacious laboratories are availed of by the institute for ICT based teaching. Guest lectures, expert lecture series and seminars are arranged. The parent institute has developed the Rayat Knowledge Bank, an open access academic depository of e-learning sources, question paper bank and library resources at the central level. Study tours and field visits are organized for experiential learning. All departments collect the feedback on curriculum from the students. It is analysed and used for effective curriculum delivery at the departmental level.

2.2 - Catering to Student Diversity	
2.2.1 - The institution assesses the learning levels of the students and organizes special Programmes for advanced learners and slow learners	
<p>The learning levels of students are assessed through the merit in previous examination and 'Diagnostic Tests'. The following strategies are adopted for advanced learners: Provide a set of Text books under Book Bank Scheme. Additional references books are provided on borrow cards and open access to e-resources /INFLIBNET. Reference books are issued to advanced learners through departmental libraries as per their demand to encourage them to undertake research projects and also participate in Avishkar. Research Project Competitions motivate them to undertake projects in private enterprises. Special guidance provided to such students to participate in various competitive exams like General Knowledge Exam, Civil Services Exams etc. The following measures are taken for the development of the slow learners: The slow learners are provided with Remedial Coaching and counselling. Academic progress of slow learners is monitored through the Continuous Internal Evaluation. To enable the slow learners to cope up with the Programmes of their choice, faculty-wise remedial coaching classes in the subjects like English, BCA, Accountancy etc. are conducted. Various add-on courses like Spoken English, Tally, Personality Development etc. are run by the college which are helpful for the students to bridge their knowledge gap.</p>

2.3.2 - Teachers use ICT enabled tools for effective teaching-learning process. Write description in maximum of 200 words

The Institute follows ICT enabled teaching in addition to the traditional classroom education. Subsequent efforts are taken by the institute to provide e-learning atmosphere in the classroom: In addition to chalk and talk method of teaching, the faculty members are using the IT enabled learning tools such as PPT, Video clippings , ZOOM, Google Meet applications and other online sources to expose the students for advanced knowledge and practical learning. Classrooms are furnished with LCD Projectors. A studio for lecture recording facility is functional. Interactive boards, smart boards are also used. Most of the faculty use interactive methods for teaching. The major emphasis is on classroom interaction in terms of research paper presentations, seminars, debates, group discussions, assignments, quiz/tests/viva and laboratory work. Specialized computer laboratory with an internet connection has been provided to promote independent learning. Wi-Fi facility for access of internet is provided on individual laptop and mobile devices. Well security is provided to Wi-Fi users. Its access is controlled by the system administrator. Central e-Content Depository (Rayat Knowledge Bank) is formed at the level of parent institute. All colleges run by parent institute contribute to enrich the Central e-Content Depository. Institutional YouTube Channel is also active for providing e-content to the students. Learning Management System with Lecture Capturing System is also instrumental in the college.

2.5.2 - Mechanism to deal with internal examination related grievances is transparent, time- bound and efficient

The college and university have a well-defined process for addressing the grievances with reference to evaluation. The college has an effective mechanism to resolve the grievances of students related to internal and university evaluation. The Students Grievance Redressal Cell is composed as per Statutes, prepared in accordance with the provisions of the University Grants Commission (Grievance Redressal) Regulations and The Maharashtra Public Universities Act, 2016. Similarly, Examination Grievances Redressal Cell is functional in the institute. The university publishes Examination Procedure Booklet for the guidance. The following mechanism of transparency in examinations helps to minimize the grievances greatly. The result process is completed within 45 days after examination. The photocopy of assessed answer sheet is provided to the students on demand. The students fill the revaluation and rechecking forms in the prescribed format with necessary documents. Grievances regarding evaluation: The student gets the photocopy of the assessed answer sheet on demand. If student desires revaluation of the answer sheet then he/she can fill the online revaluation form on the university website. The university looks into the grievances and takes the corrective measures, if any. The above mechanism helps to resolve the grievances in stipulated time.

6.3.5 - Institutions Performance Appraisal System for teaching and non- teaching staff

The institution takes initiatives to enhance the professional development of its teaching and administrative staff. As per UGC regulation of June 2016, the college follows the Annual Self Appraisal Report (ASAR) or evaluation of the faculty. At the end

of academic year, all faculty members submit their API forms along with related documents to IQAC. The IQAC assesses the forms as per UGC guidelines and verifies the API scores which are further authenticated by the Principal. The College IQAC has set a welldefined mechanism for collection, assessment and compilation of the API files. It also guides and redresses the queries regarding API and ASAR. For the Career Advancement of the respective faculty, the ASAR forms assessed by IQAC and endorsed by the Principal are presented to the University Experts. The Teachers Diary is maintained by all teachers which include information about academic, co-curricular, extracurricular activities of the respective faculty. This diary is assessed regularly by HoD and at the end of each term by the Principal. The parent institute gives the Best Employee Award to the faculty based on their performance. Every year, Higher Education Department of the parent institution collects and analyses the results of the courses taught by a teacher on seven point scale. These results are presented before the C.D.C. Meeting for the review and measures. Teachers' special achievements are well recognized and appreciated by the college and they are felicitated at Annual Prize Distribution Ceremony.

6.4.3 - Institutional strategies for mobilization of funds and the optimal utilization of resources

The major financial source of institutional funding is - a) State Govt. Grants i) Salary Grant. ii) Non-Salary Grant. b) Students fees. c) Fees from self-financed Courses (B.C.A.) d) Funds

generated through Add-on-courses. e) Development plan grants and grants under various schemes of UGC received by the college. f) Grants received from Shivaji University, Kolhapur such as grants under Lead College Scheme, National Service Scheme, Organization of Sports Workshops etc. Despite this, the deficit occurred is managed through funds generated by college through self-financed Add-on courses and donations from society.

Strategies for Mobilization of Funds: The funds required for the college are raised through the fees from students and donations from the society. The fees from students are collected as per the rules of university. The funds required for development activity are raised through the donations from the wellwishers and philanthropers from society. The funds are mobilized through self-financed Programmes such as B.C.A. and Add-on Courses.

Strategies for Optimal Utilization of Resources: The funds available through the fees from students are utilized according to the university guidelines and the budget is prepared to exercise the control over expenditure. The procedure is laid down for the sanction of each and every expenditure. Proper accounting and audit procedure is practiced to ensure optimal use of funds. The construction work is done under the strict supervision of Building Committee to ensure the quality of construction and savings in expenditure.

6.5 - Internal Quality Assurance System

6.5.1 - Internal Quality Assurance Cell (IQAC) has contributed significantly for institutionalizing the quality assurance strategies and processes

The Internal Quality Assurance Cell established in September 2004 has been playing a key role in institutionalizing quality assurance strategies in order to- Foster total quality management and communicate the updates regarding this to all stakeholders Coordinate as a nodal agency to prepare quality policy and perspective planning of the college Define the quality benchmarks and parameters for ensuring its effective implementation The above mentioned institutionalized policies have contributed to quality assurance in the following way- Add-on-courses provide additional skills Promotion of research and motivation to adopt

modern methods of teaching and learning Monitoring TLE, co-curricular, extracurricular activities and its documentation Infrastructure augmentation by providing more space and updating technology The following are the two practices institutionalized by I.Q.A.C. for quality assurance- 1. Implementation of Reforms in Evaluation: The college has developed its own Continuous Internal Evaluation Mechanism. The institution adopts diverse modes of evaluation for the internal assessment component of the university examination in the 40 + 10 pattern. The Examination Committee monitors and regulates the examination process 1. Introduction of skill-based Add on courses to support the conventional degree Programmes: The I.Q.A.C. initiated 21 short term courses successfully during the year in collaboration with Karmaveer Vidya Prabodhini of Rayat Shikshan Sanstha. The curriculum of these courses is exclusively designed and updated regularly by our faculty. The most significant contribution is that NAAC has assessed our institute and accredited with CGPA of 2.98 on four point scale at B++ grade in 7th September 2021.

6.5.2 - The institution reviews its teaching learning process, structures & methodologies of operations and learning outcomes at periodic intervals through IQAC set up as per norms and recorded the incremental improvement in various activities

The structure and methodologies of operations are indicated by the following flow chart- Policies set by Principal and IQAC Academic Diary reviewed by HoDs Academic Diary of day-to-day schedule maintained by faculty Preparation of Academic Plan by HoDs and faculty Review Meetings with Staff Students Feedback Corrective Measures API Assessment / Result Analysis The details of the review of the learning process and outcomes: I.Q.A.C. takes the review of the learning process through its periodical meetings with Heads of the Departments and faculty. The faculty are oriented over the use of various teaching learning methods such as ICT based teaching learning, participative/experiential learning and interactive learning. The implementation of these helped to develop the independent and critical thinking among the students. The two examples in this regard are as given below- 1. Organization of Career Oriented Course in Logistic Management:

I.Q.A.C. formed a policy for the skill enhancement of the students. The Department of Commerce sent the proposal of Career Oriented Course in Logistic Management to University Grants Commission. Lecture method being conventional needs the support of ICT based teaching learning for the effective delivery of curriculum. I.Q.A.C. oriented the faculty over the use of ICT based teaching learning and its advantages. LCD projectors and internet connectivity were provided to the faculty. The faculty motivate the students for the independent learning through the use of ICT.
